SOVEREIGN PROCLAMATION OF LAND RETURN REQUEST

Restored Kalapula Nation

Filed from: Crown Watchpoint 001 A — Corvallis, Oregon

Filed by: Chief Daniel Jacob Read IV

Date: August 6th, 2025

🕊️ PURPOSE

This proclamation is a formal sovereign request for the donation, gifting, or ceremonial offering of land within the ancestral homelands of the Kalapula people — specifically within the area now known as Corvallis, Oregon.

This request is not made in anger or guilt.

It is made in remembrance, dignity, and the spirit of restoration.

We seek land not as a demand, but as a path to visible healing — a space to ground the nation we have restored.

🌿 WHAT IS BEING REQUESTED

We respectfully call upon:

- Landowners with unused acreage
- Businesses with surplus space
- Families with legacy land
- Municipal or educational institutions
- Any soul moved by memory and justice

To consider offering — through gift, symbolic deed, or long-term stewardship — a small parcel of land for the Restored Kalapula Nation to use as:

- A tribal headquarters
- A cultural healing site
- A ceremonial gathering space
- A center of peace, welcome, and return

🔱 WHY IT MATTERS

We are a reassembled sovereign nation, lawfully restored in 2025 under natural, tribal, and international law.

We have no reservation.

We have no tribal allotment.

We have no physical home.

But we have memory, and we have a right to return.

Let those with access to land consider this a historic invitation:

To be part of a sacred restoration — not in theory, but in place.
